

FRANKFURT/M. The area is filled up to the last place. Air becomes gradual thickly. The public on the music fair in Frankfurt bears courageously. Because each moment is of Germany most famous skirt guitarist on the stage to come.

Finally music icon Michael Schenker from the drying fog steps out and fastens themselves the guitar over. "Doctor, Doctor" roars from the boxes. A piece the British volume UFO. Schenker changed in the 70's to this hard Rocker on the island, left in Germany the in the meantime legendary Scorpions.

On the fair the Hannoveraner shows meanwhile, why it ranks for over 30 years among the usually-admired Virtuoso of the hard mood. Its well-known melodies bore themselves again and again into the ears. And its fast runs meet visible acknowledgment. The fans radiate before joy.

With Michael Voss in the Jovel-Studio

Also owing to a Muensteraners. Because the Playbacks for the breath-robbing Gitarren-live-Demonstration accepted schenkers under the direction of Michael Voss to cathedral Jovel Jovel-Studio. The two brought pieces for filters in only two days. "a Marathon", remembers Voss. But everything became in time finished, and with the presentation for a well-known loudspeaker manufacturer the Gitarrero is supported now by the Jovel bringing in.

Scrub artists

"It is very shy and reserved", describes the producer co-operation with schenker, with whom it stands already for a long time in good contact. When schenker re-activated the Michael Schenker Group some months ago with the singer Gary Barden, the two musicians with Voss in the studio worked on the new songs. "We prepared, tell there our ideas" schenkers between concert and autograph hour. "the prelude for the new plate proud Voss found," schenkers its photographs unpacked with us instead of ", is, and then we filed at the texts and the melodies". Thus a dream went into fulfilment for Voss. Finally schenkers and Barden already star were, when Voss was still in the child shoes. And also today it still admires of Germany skirt guitar export number one: "I believe, schenkers am singular."
